

APPENDIX: SURVEY INSTRUMENT

This survey asks questions about your spinal cord disease or injury. It also asks about how you carry out your day to day activities. Please fill out the survey yourself or with the help of a friend.

Your Name: _____
(PLEASE PRINT)

1. This question asks about the causes of your spinal cord condition. What is the cause(s) of your spinal cord condition and when did it happen? Please check the **box(es)** that best fits you and fill in the date when your condition began to the best of your knowledge.

<u>Causes of spinal cord conditions</u>	<u>Date of injury/trauma or diagnosis</u>
<input type="checkbox"/> traumatic injury	month _____ day _____ year _____
<input type="checkbox"/> multiple sclerosis (MS)	month _____ day _____ year _____
<input type="checkbox"/> polio	month _____ day _____ year _____
<input type="checkbox"/> tumor	month _____ day _____ year _____
<input type="checkbox"/> syringomyelia (cavity in the spinal cord)	month _____ day _____ year _____
<input type="checkbox"/> infection or abscess of the spinal cord	month _____ day _____ year _____
<input type="checkbox"/> motor neuron disease (Lou Gehrig's disease or ALS)	month _____ day _____ year _____
<input type="checkbox"/> arthritic disease of the spine or narrowing of spinal canal (spinal stenosis)	month _____ day _____ year _____
<input type="checkbox"/> other disease → Please give name: _____	month _____ day _____ year _____
<input type="checkbox"/> not sure what the cause is	
<input type="checkbox"/> I don't have a spinal cord condition → Please END THE SURVEY .	

2. If you have a spinal cord injury, how did your injury happen: please check the one box that best fits the cause of your injury. (If you did not check the box for **traumatic injury** and fill in the date in the section above, please do so before going to the next page.)

- because of an **act of violence** (like a gunshot wound or explosion)
 in a **vehicle** (like a car or motorcycle)
 in a **sports activity** (like diving or water or snow skiing)
 due to a **fall**
 other **traumatic** cause, please describe: _____

3. Your doctor may have told you what your neurologic level is. Some examples of neurologic levels are C1, T5, or L3. Please check the correct box(es) and write in the exact level(s) if you know it.

- cervical → Please give level (C1...C7): _____
 thoracic → Please give level (T1...T12): _____
 lumbar → Please give level (L1...L5): _____
 cauda equina → Please give level (S1...S5): _____
 don't know

4. Spinal cord injury or disease can affect different areas of the body. Please check a box for each area of the body affected by your spinal condition:

- memory / thinking
 eyes
 one arm only
 both arms
 one leg only
 both legs
 bowel, bladder or sexual function
 other → Please describe: _____
 don't know

5. Sometimes spinal cord injury or disease causes loss of **movement** in the arms or legs. Have you lost **movement** in your arms or legs? Please check the box which best fits you.

- I have **full useful movement** in my arms and legs
 I have **some useful movement** in the areas affected by my spinal cord condition
 I have **no useful movement** in the areas affected by my spinal cord condition

6. Sometimes spinal cord injury or disease causes loss of **feeling** in the arms or legs. Have you lost **feeling** in your arms or legs? Please check the box which best fits you.

- I have **full feeling** in my body
 I have **some feeling** in the areas affected by my spinal cord condition
 I have **no feeling** in the areas affected by my spinal cord condition

7. Have you ever had an amputation?

- NO
 YES

8. If you had a **spinal cord injury**, did you also have a **head injury** at the same time?

- NO
 YES

Please go to next page ⇨

Please go to next page ⇨

9. The next set of questions asks about how much help you need with your day to day activities. Please answer the questions below based on an average day and your usual way of doing the activity. Please read the choices below before answering the questions. Then circle the number which best fits your need for help with each of these activities.

- 4 = **NO EXTRA TIME OR HELP** -You do not need any extra time or help.
 3 = **EXTRA TIME, SPECIAL TOOL** -You need extra time or a special tool (like a raised toilet seat or wheelchair), BUT DO NOT need another person's help.
 2 = **SOME HELP** -You need some help from ANOTHER PERSON.
 1 = **TOTAL HELP** -You are UNABLE to do this activity and need total help.

How much help do you need to.....	No Extra Time or Help	Extra Time or Special Tool	Some Help	Total Help or Never Do
Move around inside your house?	4	3	2	1
Go up and down a flight of stairs?	4	3	2	1
Transfer to and from your bed or chair?	4	3	2	1
Get on and off the toilet?	4	3	2	1
Transfer from the shower or tub?	4	3	2	1
Eat?	4	3	2	1
Groom? (combing hair, brushing teeth etc.)	4	3	2	1
Bathe?	4	3	2	1
Dress your upper body?	4	3	2	1
Dress your lower body?	4	3	2	1
Toilet? (dressing and cleaning with toilet use)	4	3	2	1
Manage your bladder?	4	3	2	1
Manage your bowels?	4	3	2	1
